

# How to teach your dog to manage the pressures of every day life

Last Modified on 04/14/2026 12:39 pm EDT

Life is hard, man. Dogs have a lot they need to do any given day.

Sleeping, snuggling, eating, walking. It's really quite a load of responsibility. No kidding!

## Empathize with your doggie

They may not know what politics or money is, but you need to understand they have stresses too. Like making sure you're happy. That's harder than you think! Hey?
